Issues

Is Earl Hendrikz, D.C. entitled to additional reimbursement for the disputed service?

Findings

Dr. Hendrikz is seeking an additional reimbursement of \$430.00 for an examination to determine the extent of the compensable injury. 28 Texas Administrative Code §134.235 states, in relevant part:

The following shall apply to return to work (RTW)/evaluation of medical care (EMC) examinations. When conducting a division or insurance carrier requested RTW/EMC examination, the examining doctor shall bill and be reimbursed using CPT code 99456 with modifier "RE." In either instance of whether maximum medical improvement/ impairment rating (MMI/IR) is performed or not, the reimbursement shall be \$500 in accordance with §134.240 of this title and shall include division-required reports.

Submitted documentation supports that Dr. Hendrikz performed an examination to determine the extent of the compensable injury as part of a designated doctor examination ordered by the division. The maximum allowable reimbursement for this examination is \$500.00. Per submitted Explanation of Benefits dated April 8, 2017, American Zurich Insurance Company reimbursed \$70.00 for this examination. An additional reimbursement of \$430.00 is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$430.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$430.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
